SUBJECT: Disaster Loss Deduction/Excess Loss Carryover/Specified Counties/December 2005, January 2006, March 2006, Or April 2006 Rainstorms, Related Flooding & Slides & Any Other Related Casualties

Assembly Bill 1798 (Berg) as enacted on September 30, 2006, made the following changes to California law:

Sections 17207 & 24347.5 of the Revenue and Taxation Code are amended.

This act would add the severe rainstorms and related events that occurred in Del Norte, Humboldt, Lake, Mendocino, Napa, Sonoma, and Trinity Counties, starting in December 2005, to the current list of specified disasters under the Personal Income Tax Law and the Corporation Tax Law.

Specifically, this act allows special disaster treatment of losses sustained as a result of those disasters.

The \$100 and 10% of adjusted gross income limitations in existing law apply to disaster losses on nonbusiness property.

AB 2735 (Nava, Stat. 2006, Ch. 897) would also adopt these provisions in the specified counties. AB 2735 was chaptered after AB 1798.

This act is an urgency measure and is effective and operative immediately upon enactment.

This act does not require any reports by the department to the Legislature.
